For nearly 40 years and after 600+ parishes, Faith on Fire Mission Teams have provided unforgettable weeks of preaching, music and inspiration for tens of thousands of parishioners across the United States.

The founder and frequent presenter, Vince Ambrosetti says, "Music is a powerful communicator, expressing that which words often cannot speak. Through music, Word, ritual and story, we rediscover that the values of the world around us ought not be our "reality;" rather, our reality is our faith in the Risen Christ, pervasive to the whole of our lives. This rich tradition combined with the Word of God through the Sacramental journey is the schematic by which we are called to live."

Now in its 39th year of writing, recording, performing, and presenting missions, Faith on Fire Missions stays true to the founding charism: "To enliven and inspire people of faith and, through music, touch the hearts of those who cannot be reached by words alone."

They invite all to come and experience the parish mission with this challenge: "From Baptism to table, from table to world: we are called, anointed, fed and sent as presence of the loving God."
