Holy Communion will be distributed to parishioners in alternating pews by priest, deacon and EM's wearing masks and using empty rows of pews to reach all parishioners.

During the Lamb of God, EM's will approach the altar and sanitize hands with sanitizers on either side of the sanctuary. EM #2/deacon will line up on the bread side and EM #3 & 4 will line up on the cup side with social distancing in mind.

Priest & EM #3, distribute in the center sections, EM #2/deacon and EM #4 distribute in the side sections, each starting on the end of the pew closest to the center aisle and weaving back and forth through empty pews.

After finishing side sections, EM #2/deacon and EM #4 begin distributing in the back of church working towards the front, unless the priest and EM # 3 are already near the back of Church.

An unused ciborium will be placed on the left side of the altar before Mass. After Holy Communion is distributed, EM's return ciborium to the main altar, where the priest/deacon combines remaining Holy Communion into unused ciborium and returns to tabernacle. Other vessels are left on the altar until after Mass is finished.

EM's sanitize hands after communion before returning to pews.

Holy Communion on the tongue is strongly discouraged. If a parishioner is insistent receiving on the tongue, communion distributor must stop and sanitize hands before proceeding, returning to the sanctuary if necessary, for sanitizer.

Thanks to all of you for taking an active role in our ministries!
